

The game is in PPSX format. This is a one-slide sample.

Just click a letter at the bottom.

If the letter exists on the board it will appear on the board and also below the game. If the letter is not on the board it will just appear below the game.

A full version of the game can be purchased from the Mandymaths_TES shop.

If you would prefer me to make the game class/topic/subject specific let me know by emailing mandy@mandymaths.co.uk and I will be pleased to do so. Once complete I will upload it to my mandymaths_TES shop for you to purchase at a cost of £3.
